

Find West Campus Apartments, North Campus Condos & Houses for Lease

We are your professional pre-leasing solution for apartments, condos, houses, duplexes and multiplexes near UT (The University of Texas) campus.

Lease Locating:

Don't stress over juggling classes and searching for properties. We will take care of you. Search over 500 property profiles online, call to schedule a property tour and free professional representation during your search, get access to ALL properties for lease without having to work with several agents. We do the work for you behind the scenes so that you just spend your time visiting options in person. NO wheel spinning!

Buying & Selling:

For buyer's and sellers of investment properties, we offer professional representation to sell or help you buy condos, houses and investment properties. Create a domicile for your child with Texas non-resident status paying out-of-state tuition so that they can earn Texas resident status and in-state tuition (savings up to \$18,000/yr).

Lease Listing:

If you're a property owner, investor, or landlord, we offer leasing services to maximize your ROI on your rental property. List your apartments, condos, houses and multiplexes now so that we can minimize vacancy. Call us to explore your options.

At West Campus Leasing, we are dedicated to offering professional representation while keeping our client's best interests as our highest priority. Our services are result oriented and intended to be a one-stop solution that exceeds your expectations.
